ALBA BY TVILUM

ALBA

PURE WHITE - PAINTED MDF

Children's, junior and family beds – all in one range. Alba is a range of high quality and highly durable beds that the whole family will love.

The design is elegant, beautiful and minimalistic, to fit into any child's room.

There are beds for every purpose, and the items can be put together in countless ways. For example, the bed drawer can be used as an extra bed, and the pull-out bed can be stretched so that it grows with the child. This gives more space in the room – and more room in your budget.
