PURE WHITE - PAINTED MDF

Furniture that makes space. Our Gaia children's range is rounded, mild and light, and you are guaranteed to feel welcome from the very first glance. The rounded edges and comfortable shapes form the foundation for a child's room where there is room. Space for play. Space for learning. Space for things. The range consists of beds, wardrobes, chests of drawers, desks and storage, and comes in two colours: A lovely white and a cheeky mint green – because there has to be room for a bit of an edge.
